- A Web Client You can play the game on your PC anywhere without the need for a dedicated server, making it easy to play with your friends! - Improved Input Interface To enjoy the game more, I've given it a 2D UI. A button to input the game location and hit options are also added. - A Tab Bar UI By putting the game into a tab bar interface, you can switch between fullscreen mode and the game screen mode. It's easy to play the game while doing other things in fullscreen mode, as you can still see the game screen. It's possible to make the game size smaller and easily control the game with a touch interface. It's also possible to control the camera and the game screen in fullscreen mode. The game can be played anywhere. - Automatically Adapting to User Environment - Since the client is full screen, the game will automatically adjust the game screen display to the number of pixels the computer has. Even when playing with friends, you can choose from various positions. A FULL SCREEN PLAYER POINTS PREDICTABLE GAMEOVER Play thousands of matches using the full screen mode, and find out the opponent's move beforehand. This player points predictor will predict about the opponent's moves by observing the past players. You can choose the number of match results to use for the prediction depending on the number of matches you have left. 2D PLAYER POINTS PREDICTABLE GAMES You can play on your own PC with your PC gamepad. Plays to see the immediate effects in large numbers. 4K SHADOWS EFFECT When playing on 4K resolution, the shadows are no longer blurred on the PCs with mid range and low frame rates. STORY SETTING As the main character, Tarnished Torgil, you start your journey. First, you must enter the Lands Between, the lands made of Dark Matter, where the gods and monsters of the previous human civilizations reside. From here, you must defeat the various monsters and gods of the Lands Between, and eventually become the supreme and eternal ruler of the Lands Between, the Elden Lord. If Tarnished Torgil manages to rise from the blood of his death, the

What's new in Elden Ring:

Discover the Game's Characters

HUNTER - A charismatic boy who lives in a small town where his father is the local priest. In one day, he trains in the ways of a warrior. **MISALO** - An elder with wisps of white hair, who wields two legendary swords. A kindhearted man with a dreamy mind, he is clearly reserved. **ACCEL** - A brave boy who is quick to engage in combat. He searches for a dream of passion. Also new in the game are the "Gracious battle motifs". The way players advance in battle becomes more interesting as their battles progress. Additionally, while arrows and special attacks will be displayed according to the situation, players will not be able to attack until their characters break through the glazing screen. • As Your Battle Skills Increase, the Style of Your Team Changes Depending on how you express your fighting spirit, the style of your team will change to match your fighting style and play method. • Leaderboard Battle Match The leaderboard battle style is one that allows you to challenge online players who you can directly connect with. The match system allows "attached parties" and "shared activities". Once you battle online through a connected party, the "attached" part (which is referred to as a "party") becomes connected. Also, if your party is confronted with an adversary, your shared activities will be used at the same time.

THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which
