The game is based on fantasy and post-apocalyptic themes which makes it one of the most unusual and unique games out there. It is a first-person shooter game where the player takes control of a Knight named Mendel, who has been sent to save their village from what is believed to be the dreaded Malaise. The village has been captured by a tribe of Dinosaurs, which have been turned evil by an ancient artifact known as the sunstone. Mendel and his friends travel to the city of Goldhight, where they meet resistance from the evil dinosaurs, but must also conquer the city of Goldhight first.
