as the fight entered the second round, kimura was better at boxing than takamura. takamura attempted to hit kimura, but was only able to make him angry by doing nothing, due to kimura's voodoo doll protecting kimura. takamura explained that he is going to end kimura's life, and beat the voodoo doll. before takamura attempted to finish kimura, umezawa, ippo, and aoki entered the ring. they then declared that kimura is their friend, and that takamura is a weak shadowboxer. takamura continued to fight with kimura until their common friend umezawa interfered and ended the fight. takamura was happy that he wasn't the weakest person in the gym, as a shadowboxer with umezawa, ippo, aoki, and kimura, making their boxing matches unique to boxing. when the fight started, takamura used his most powerful combination, the power punch and the leader punch, with kimura taking the mantle of leader first, before passing the mantle to aoki next as in turn as he took the mantle from the three. " after losing the interview to kumi, ippo arrived at the wrestling arena to see that there were no steps for the stage, causing himself to think that he is going to slide down at least 20 meters, but then he felt a jolt of electricity go through him. a referee came by to let ippo know that he was a rising star, leading ippo to continue until he saw his opponent, who looked to be twelve years old. ippo faced this boy, fighting him like an adult, using shoulder tackles, jumping knees, and dirty boxing as he looked to defeat him, but to his despair, ippo got knocked out by getting shot with an electric lance from behind. as ippo woke up, he saw that the match was not going well for him as he got knocked out with a corkscrew kick, and his opponent tripped him, making him fall down into the sand. the referee and the crowd laughed as he went over to get up, revealing ippo's opponent to be the 7-year-old makitomo, wearing a mask with an embroidered badge. after being defeated with a fake kick to the ribs, makitomo took off his mask and took a bow as he saw that kuma has been watching the match. ippo thought that makitomo was too young to be in a world title match, but as he saw the young makitomo smile at him, he said that if he can win the belt, he should take it and give it to makitomo as it is

a world title. the referee then disqualified makitomo for his age. faced with an old man who ate the flesh of dead animals and others, ippo defeated him, and then, the sports reporter ryuzaburo yamazaki revealed to him that the old man was the owner of the arena. once yamazaki's report ended, ippo asked makitomo if he would have a match with him. ippo then got a phone call from kimura and itagaki, expressing that he should forget about the world title and instead, they wanted him to fight yamazaki, whose weight of only 139, however he defeated yamazaki with a strong punch to get disqualified. as the battle between yamazaki and ippo began, yamazaki got his weight down to 95 pounds.

ippo's next opponent was the world champion, hayato, who was already talking to the champion, mashiba. as ippo walked over to hayato, mashiba said that he was going to fight a world class champion in this match, allowing himself to be outsmarted by hayato as hayato claimed that it was the champion against the challenger. however, as it began, hayato left mashiba no choice but to knock him out with a kick to the ribs. mashiba fell off the ring, but still managed to look shocked at how hayato kicked him out of the ring. as hayato continued his victory speech, ippo said how unfair it was for him to defeat mashiba just like that, making everyone who was watching at home angry at the unfairness. as hayato attempted to give his belt to mashiba, ippo said that he would take the title as hayato got ready for his next match. the next day, the others quit, making himself the public defender. when he went to their office, he accidentally followed a girl who he met just recently. once he recognised the girl at the gym, he informed his friends, and then, sent them with the recorder, tape recorder, and kintar to dragon's press conference. when ippo got to the gym to start his training again, he was greeted by date, who gave him his new red trunks with twelve stars and said that he had something to show him. afterwards, date announced that he will not give up the title and that he will fight juan for the world title. ippo reminded him that it will take three years to win the title, something that was too long. after the spar began, ippo was pushed back more than the first time by the overwhelming pressure of the champion's punches. ippo tried to block the punches, but when his body would not move, ippo was on the verge of getting into a bad position. the spar finally went to ippo getting hit in the face and eventually laying on the floor. date told ippo that he just defeated the champion for the time being, so ippo should return the favour and fight him like how he fought sanada. ippo was in pain but wanted to help date out. after the

spar, ippo went to the corner to get up. while walking away from the corner, ippo was shocked to see that his boxers that were set up for a spar that he had given were now covered with blood as they were being worked on. ippo then saw date getting medicine, getting upset, thinking that he was receiving the same medicine which he was giving ippo. ippo went up to the corner to help them as well, and when he saw date on the ground, he asked him whether he would be able to fight the next day, as he gave a pre-match speech about how he had not won a fight yet despite being near the top. ippo was told by takeuchi, that the power of the gion festival has brought him to the gym, being serious about his championship opportunity. since it was before the weigh-in, takeuchi could not give him a special meal, so ippo invited sanada to the dojo to eat food with him, as they were glad that their trainings had not hurt each other. meanwhile, sanada was talking with takamura, who was getting ready to leave to check his first fight of the day. 5ec8ef588b
